MSW

MASTER OF SOCIAL WORK PROGRAM

Master of Social Work (MSW) program aims to groom committed and dynamic youth capable of imparting participatory development at community, Government, non-Governmental and policy levels, so as to contribute to overall progress of the country. The program will provide training in the practice of professional social work in broad areas followed by imparting theoretical knowledge and skills in specialized fields of practice.

Our Specialization

- Medical & Psychiatric Social Work
- Family and Child Welfare
- Urban and Rural Community Development

To promote social justice and equality by engaging in social work education, research and committed social action and to transform the youth as agents of social change

Gateway to the World of Excellence in Education
